You are invited to join us for a weekend of weaving to break the Cabin Fever of midwest winter.

Registration fee is \$25 per day. Lunches are available or you may bring your own.

There are many windows for natural lighting during the day, however you may bring a task light for night weaving if you'd like. We will have drop cords and surge protectors. This location is closed for the winter, so we will be the only people in the facility.

You will learn to prepare and insert the spokes into the wood base and pattern skills you never thought you could do! Because you don't need to think about shaping you can focus on a fun pattern. Dimensions are 9" D x 12"H Intermediate Weaver

Class, prep & material fee: \$68.00

Sunday Class

There will be weave patterns to choose from to make it "yours". Wood choices of oak, walnut, or maple will be available in class. Approx. 10" x 7 3/4" x 3 3/4" Advanced Beginner
