The Long Way Home – Spring

6 hour class – Starts at 8:30 a.m.

Start by weaving a woven, filled base. Techniques include twining, triple twining, and triple twining with a flair! About the name: If you follow me on social media, you know I like to dabble in photography and am an avid pickleball player. Many of my posts/photos start off with “on my way home from pickleball”, the creative use of triple twining reminds me of my path on the way home. The spring version of this basket has flower buttons that complement the colors of the basket on that path. The accent colors are Celery Green, Georgia Peach, and Hot Pink. Weaving Level: All

Approx. 14”L x 9” x 8”H (w/o handle) Class, Prep & Material Fee \$75

Summer Breeze Tote

Start by inserting spokes into a wood, slotted base. Techniques include twining, start/stop weaving, continuous weaving, and the use of overlays. A pretty blingy dragonfly adorns the front. The braided handles really set it off. The accent colors are gray, sky blue, and periwinkle. The measurements are taken on the finished basket and do not include handles which are 12” long including hardware. Shaping will be emphasized. I recommend bringing glue for your spokes.

Weaving Level: All Approx. 10”L x 7 ¼”W x 7 ½”H

Class, Prep & Material Fee \$75

Patriotic Mantle 4 hour class – Starts at 9:30 a.m.
